

10/12/2015

"When we placed this material down, we had no idea how well it would perform. Now, we wish we had asked longer test section."

- Phil Ruffus
Pavement Engineer
MoDOT-St. Louis Metro District

10/12/2019

After 4 years of traffic and weather the patch is performing beyond our expectations. And no damage from snow plows.

American Road Patch™
Route 21, St Louis County
Placed: Spring 2015
